SPECIAL EVENING SCHOOLS FOR WORKING YOUNG PEOPLE

Special evening classes for children between 14 and 16 years of age who are not grammar school graduates and who are at work, were opened at the Broadway, Greenville and Tattville school buildings Monday evening in order to comply with the state law. The hours will be from 7 to 9 o'clock four evenings a week and the classes will continue for sixteen weeks.

The state law regarding compulsory attendance at school follows:

Every child between 14 and 16 years of age, residing in a city, town or district in which public evening schools are maintained, in possession of an employment certificate issued under the provisions of the general statute and who has not completed such course of study as is required for graduation from the elementary public schools of such city, town or district shall attend the public school of such city, town or district, or other evening schools offering an equivalent course of instruction, for less than eight hours each week, for a period of not less than 15 weeks in each calendar year, unless released from such requirement by the board of school directors, town school committee or board of education. The employer of any such child shall keep on file in the place where such child is employed, an evening school certificate certifying that such child is attending an evening school as required under the provisions of this section, which a

TRYING TO RECOVER TUCKIE PROPERTY

Trial of the suit of John A. Moran, administrator of the estate of John Tuckie, late of this city, against George H. Bradford, administrator of the estate of George H. Pratt, also late of Norwich, will be the first to occupy the November session of the superior court which opened here Tuesday morning with Judge Donald T. Warner presiding.

The suit is brought to secure the return to the Tuckie estate of property on Boswell avenue, known as the Newmarket hotel property, and some adjacent lots, which it is claimed Mr. Pratt secured from Mr. Tuckie under duress and by fraud while Mr. Tuckie was sick and within a short time before Mr. Tuckie's death. The real estate involved is said to be worth about \$10,000. Both the principals are now dead and the suit is between the administrators of their respective estates.

Attorneys Charles V. James and C. Hadall Hull are counsel for Mr. Moran and Brown & Perkins for Mr. Bradford.

When court came in for the afternoon session at 2 o'clock Tuesday the attorneys in this case spent two hours in conferences endeavoring to establish settlement of the case without trial. These efforts proved futile and at 4 o'clock the selection of a jury for trial of the case was begun.

The following was the jury selected: John H. Sherman, Norwich; Gordon Spicer, Frank Cray, Otis A. Brown, Preston; William R. Burdick, James Armstrong, Griswold; Sans W. Throop, Mark H. Standish, Lebanon; Dwight Maine, North Stonington; Frank D. Date, Putnam; Henry Young, George A. Tanner, Voluntown.

Court was adjourned at 4:15, as two of the jurors had to catch the 4:30 Western trolley in order to get home. When Judge Warner learned that this would be the rule each day, he directed that court come in at 9:30 in the morning instead of at 10, so that the half hour lost in the afternoon might be made up in the morning. Jurors from the North Stonington and Preston section said they would have to catch the 6:30 trolley in order to get to court in time in the morning.

The 25 jurors who answered their names when Clerk George E. Parsons called the roll were the following:

Norwich—Charles McGilvray, John H. Sherman, John J. Connell, Preston—Gordon Spicer, Frank Cray, Otis A. Brown, Elmer E. Miller, Colechester—Edward T. Bunyan, Griswold—William R. Burdick, James Armstrong, Elmer G. Stark, Lebanon—Sans W. Throop, Clark H. Standish, Edward W. Jones, North Stonington—Alfred M. Clark, Dwight Maine, Bozrah—Nelson L. Stark, Albert G. Avery, Franklin—Frank I. Date, Luther Holton, Sprague—Frank A. Pitch, Lisbon—George G. Bromley, Salem—George O. Avery, Voluntown—Henry E. Young, George A. Tanner.

These were excused for the term: John W. Stott, Byron W. Peck, Norwich; A. Morgan Fuller, Preston; Frederick J. Hudson, Colechester; W. H. Lee, North Stonington; Dennis J. Hines Sprague; George W. Allen, Lisbon; Dec. 2, Charles A. Williams, Salem, for the term.

The remainder of the jurors not on the Tuckie case were excused until Thursday morning.

Sustains Eugene Sullivan's Will.

The first case on the assignment list for trial was the case of John J. Sullivan vs. Barbara E. Sullivan, executrix, an appeal from probate involving the validity of the will of Eugene Sullivan, who died in Norwich, May 10, 1918. Mr. Sullivan was a contractor engaged largely in concrete and highway construction and a widely known and highly respected citizen.

The case stood for trial to the jury but before the jury was empaneled.

Y. M. C. A. WOMAN'S AUXILIARY HOLDS NOVEMBER MEETING

The November meeting of the Woman's Auxiliary to the Y. M. C. A. was held Tuesday afternoon, at the home of Mrs. John McWilliams on Washington street.

General Secretary Edwin Hill opened the meeting with a short devotional service. After the usual business reports Mrs. Allyn L. Brown, president, introduced Roy E. Keller, county secretary of the Y. M. C. A., who told of the successful camp for boys which was maintained last summer at Lake Terremuggus.

This work among the counties in New England has for its aim and purpose, the reaching out of a helping hand to the country boys, who are deprived of some of the many advantages enjoyed by their city neighbors. Socially, educationally and spiritually the Y. M. C. A. is hoping to do great things for the young people in the outlying districts through this county work, which is being systematized and planned to obtain the best results for young manhood.

The second speaker of the afternoon was Dr. Joseph Seiden, who presented the cause of the Red Cross in peace as war, the greatest mother of the world. Dr. Seiden spoke enthusiastically of the present drive to increase and if possible, double the membership of Norwich, and of the need of constant endeavor and faithful work in these times of peace—even in the king of work is different from that which occupied our hearts and hands a year ago. Joining the Red Cross and continuing our interest in it is the duty of every American man, woman and child.

The musical entertainment of the afternoon was supplied by the talented children of Mr. and Mrs. A. A. Guile, who gave a most interesting and delightful programme of orchestral selections, varied with topical music of the day. Miss Lucile Guile was pianist, while her sister May and brother George played first and second violins respectively. This clever trio added greatly to the pleasure of their audience.

The auxiliary is planning to hold a rummage sale in the Thayer building. Mrs. Brown urged everyone to give as largely as they were able, and articulated the heavy to carry will be collected. If donors communicate with Mrs. Brown the day preceding the sale.

The next meeting will be held on the first Tuesday in December, at the home of Mrs. W. Tyler Browne, 275 Broadway.

CONGREGATIONAL MINISTERS IN COUNTY MEETING

The Ministers Association of New London County held an all day session Tuesday at the Hugh Henry George Memorial parish house. Rev. Arthur Varley, pastor of the Tattville Congregational church, presided as chairman. At the morning session papers were read by Rev. J. R. Danforth, Rev. J. Beveridge Lee, both of New London and Rev. Samuel H. Howe, D. D., pastor of Park church, Litchfield. The session was presided over by the parish house association. Mrs. F. S. Bunnell was chairman of the committee in charge of the luncheon. At the afternoon session which opened at 2 o'clock routine business was transacted.
